After enquiry in the Collector's office, I understand that the Report of the Collector has been despatched. May I therefore request you to dispose of the matter early as I am losing best opportunities owing to an abnormal rise in prices of manganese caused by the international situation. I therefore wish to avail of this opportunity which I am afraid may be lost, if I donot make early arrangements to start mining operations.

I beg to remain

In BP misc No. 2127 dy 1.8.39, K. Mohamed Basheer of Bellary was granted a mining lease for manganese for a per of 30 years over an extent of 250 acres in Sno 1 of Jiginahalli village and Sno 1 of Yerrayinahalli village in Kudligi taluk of Bellary subject to the condition that the lessee should take electric power for the working of the mine or the mineral if necessary in the event of its being made available in the vicinity of the lease area. The Coll was requested to submit a draft lease deed for the Bd's approval.
